Boris, Turkey. (SC gave us too
much credit for
out.)

Scants: defusing Turk
minerals

(remaining minerals —
they belonged to Turks!
but IL - 280% Cuba!
thus, US relation to
Turkey = SU/Cuba!

(how did one sideline
discontinuously / removed ?!)

— Did Sours have more books
but IL - 280% is Cuba?

Did it occur to
anyone — re CS
IRBMs — that it was
a dangerous precedent
to use IRBMs to
threaten inhabitants —
giving SU sub in
IRBMs?

(like bombing SALT
lines on MIRVs!)

first:

- US we work in
Bundy! Look at
problem, then counsel!
("Would have put
us in Cuba?")

Would JCS send us
to Cuba with military
troops?

Were there how
we would be for Envoys?

policy that was proven;
not deployment. (wrong!))

Thm: US keep

+ no big use of it

But now... (400 SU / Cuba!)

i.e. McN doesn't admit
doing what he accuses
R of doing —

being the way with
in absence of belief in
SV imp. (which
R does close to believe,
anyway!)

McN won't say — "Q.A.
make the mistakes you
are now making, or say he
about to make; O.K.!"
